SOLANO COMMUNITY COLLEGE RESIDENCY - SPECIAL CONSIDERATION REQUIREMENTS

California regulations allow students meeting certain criteria to pay California resident fees even if they have not met the requirements of physical presence and intent to be a resident. To be considered under these special provisions, please see the applicable section below.

AB 540 Exempt

If you attended a California high school for at least three years and graduated or received a certificate of completion, please request and complete the AB540 Tuition Exemption form.

Foster Care Youth/Emancipated Foster Youth

If you are or have recently been a foster care youth (ward or dependent of the State of California), please provide documentation showing this relationship. You must be 24 years or less to qualify.

Member of the U.S. military on active duty in California or maintaining home of record in California

If you are a member of the United States Military (Army, Navy, Air Force, Marines, or Coast Guard) assigned to active duty for more than 30 days, please provide one of the following:

1. Military orders to current duty station in California
2. Documentation that you are assigned to active duty in any location and maintain your primary home in California.

Spouse or dependent child of a member of the military stationed in California or maintaining home of record in California

If you are the spouse or dependent child of a member of the Armed Forces of the United States who is stationed in California, please provide all of the following:

1. Military member's orders reflecting active duty assignment for more than 30 days to current duty station in California OR military member's orders to active duty assignment in California OR the military member's initial orders reflecting home of record in California.
2. Evidence that you are the spouse of the military member or a dependent child for federal tax purposes. Please provide one of the following:
 - a. DEERS print out listing the student as the spouse or dependent child, or
 - b. Orders specifically listing student as the spouse or dependent of military member.

Discharged member of the U.S. Military remaining in California

If you were a member of the United States Military who was stationed in California for more than one year immediately prior to being discharged and you have remained in California for less than a year and one day, please provide a copy of your Military Discharge Form (DD214 Member 4 OR copy 2 OR copy 7). You may be temporarily classified as a California Resident for up to one year, but will need to provide evidence of intent to establish California residency at the end of the one-year waiting period to maintain your residency status.

Spouse and/or dependent children of a discharged member of the U.S. military remaining in California

If you are a spouse and/or dependent child of a discharged member of the U.S. military who was stationed in California for more than one year immediately prior to being discharged and you have remained in California for less than a year and one day, please provide a copy of the Veterans Military Discharge Form (DD214 Member 4 OR copy 2 OR copy 7) and one of the following:

1. **For spouses:** marriage license or IRS tax form 1095-A from most recent federal tax return
2. **For dependents:** Birth certificate or legal guardian documents or IRS tax form 1095-A from most recent federal tax return.

You may be temporarily classified as a California resident for up to one year, but will need to provide evidence of intent to establish California residency at the end of the one year waiting period to maintain your residency status.

Employee (or the spouse or child of an employee) of a California state agency assigned to work outside of California

If you, your parent or spouse is employed full-time by a California state agency and is assigned to work outside of California, please provide both of the following:

1. Proof of employment
2. Proof of assignment outside of California

Employee (or the spouse or child of an employee) of a California Community College, California State University or Colleges, the University of California, or the California Maritime Academy

If you, your parent or spouse is employed full-time by one of the California institutions listed above, please provide all of the following:

1. Proof of employment
2. Proof that the student has not lived in California for more than one year since arriving or since attaining age 18, whichever came later.

In the process of being classified as a peace officer and are enrolled in SCC police academy training courses

If you are currently enrolled in police academy training courses and a public agency intends to classify you as a police officer upon successful completion of the courses, please provide evidence that the public agency intends to classify you as a peace officer.

Public school employee with a valid credential or emergency permit

If you are employed by a school district in a full-time position and hold a valid credential or valid emergency permit and are enrolled in courses to meet credential requirements, please provide both of the following:

1. Copy of your credential or emergency permit
2. Statement from your employer that you are employed in a full-time position requiring certification qualifications

Self supporting minor

If you are under 19 years of age and have supported yourself financially for at least one year and a day, please provide both of the following:

1. W-2 forms or other documentation showing your earnings for the past year.
2. A written statement showing your expenses during the past year.

Note: To claim this status, you must have been physically present in California for the past year.

Graduate of a school in California operated by the United States Bureau of Indian Affairs

If you graduated from a school operated by the U.S. Bureau of Indian Affairs that is located in California, please provide a copy of your diploma.

Other exceptions (limitations apply):

- Two Year Care & Control**
- Adult Dependent Child**
- Minor Remaining in CA**
