The screenshot shows a web browser window with the URL `solano.academicworks.com`. The page features the Solano Community College logo and a 'Sign In' button. A navigation bar includes 'Opportunities' and 'Donors'. The main content area is titled 'All Opportunities' and includes a 'Show Filters' button. Below this is a search bar and a table of scholarship opportunities.

All Opportunities Show Filters

Browsing All Scholarships: To view a list of all our scholarship opportunities, you may click "Ours" under "Opportunities" above. This list shows all our scholarships, not scholarships for which you are receiving consideration. Automatch scholarships will appear with "None" listed under the "Action" column – this means an additional application is not required for consideration. The "Deadline" column indicates the deadline to complete the application to receive consideration. This is not the deadline to accept the award.
