A FREE EVENT

**NURSING SUCCESS!
SEMINAR 2022**

JUNE 8 – 10, 2022

Samuel Merritt University is honored to sponsor a three day nursing seminar that provides participants from underrepresented groups with the opportunity to explore the nursing profession. The seminar is presented via two simultaneous tracks:

Track 1 BSN:

Open to participants currently completing pre-nursing coursework at California's Community Colleges or 4 year institutions. This track is only available to prospective participants who have not yet earned a bachelor's degree and who are interested in SMU's transfer BSN program.

Track 2 ABSN/ELMSN:

Open to participants who already have (or will have) a bachelor's degree in a non-nursing field and who are interested in SMU's Accelerated Bachelor of Science in Nursing (ABSN) or Entry Level Master of Science (ELMSN) program.

During the Nursing Success Seminar you will have an invaluable learning experience and opportunity to explore the profession of Nursing.
