Dear Graduates of 2020, 2021 and Candidates of 2022:

On behalf of the Solano Community College Governing Board and all of us at SCC, congratulations on completing your degree or certificate! We are so excited to celebrate with you on **Thursday, May 26, 2022** when we will host the Solano Community College "Car-mencement," a vehicular parade of graduates from the classes of 2020 and 2021 and candidates from the class of 2022.

We have missed seeing you on campus over the last two years and look forward to hosting commencement in a format that allows students and staff to celebrate safely.

As you begin the next stage of your College academic studies or career, know that all of us at SCC are proud of you and what you have accomplished, especially doing so under very difficult circumstances. We hope you felt cared for, received the resources you needed when you needed them, and feel great pride in accomplishing your goals. We hope you feel prepared to take your next step and know that we will be here cheering for you.

In the coming years, please keep us posted on your accomplishments. You can do so by joining our SCC Alumni Association for free at <https://alumni.solano.edu/> You can also visit this site for alumni events, fundraisers, and to get information on how to establish a scholarship for SCC students. Maybe someone helped you along the way and you would like to do the same for future students.

As you leave SCC know that we are proud of you and wish you the very best. We look forward to seeing you in the community or the next time you visit campus.

With appreciation and gratitude,

Celia Esposito-Noy, Ed.D.
